- The Inter Tribal Long Term Recovery Foundation formed in 2007 after San Diego and Riverside Counties experienced catastrophic wildfires. Since that time, the ITLTRF has dedicated its resources to tribal preparedness and long term recovery from disasters like fires, floods, droughts, and pandemics. We realize the need to support the education of the next generation of tribal leaders. If you are interested in a career in firefighting, nursing, medicine/healthcare, law enforcement, or any facet of emergency management, please complete this application. All recipients will be notified of their award at the SCTCA High School Graduation Ceremony.
