Nike N7
Native American
Heritage Night
with
SDSU Basketball

SDSU Men's Basketball is partnering with Nike N7 as part of a special celebration during Native American Heritage Month. Nike N7 is Nike's commitment to bring sports and all of its benefits to Native American communities. San Diego State will make a departure from their traditional colors for the game, donning turquoise Nike N7 uniforms. The game will include a pre-game performance honoring Native American communities and culture, and the Inter Tribal Sports cheerleaders will join the SDSU cheerleaders for a special performance during half-time.

Please wear turquoise to show your support for Native American Heritage Month!
