GUIDELINES

First-Time Applicants and Re-Applicants – fill out an online application each time and submit all required documents no later than the deadline (see list of required documents below). Students are only able to apply for the current award at a time. Incomplete applications will not be processed. Late documents and/or applications will not be accepted. **If the last time you were awarded was before 2016, you will need to resubmit your photo and proof of heritage.*

AIS corresponds with students through emails. Be sure to add scholarship@americanindianservices.org to your contacts and safe senders list to avoid emails from AIS going to your SPAM folder. Check your email frequently.

Please allow 6 to 8 weeks AFTER the deadline for applications to be processed and updated online. With the large amount of documents and emails we receive, it will take us some time to update your online application. (Be advised that during the holiday season it will take us longer.) Please DO NOT call or email about the status of your application. If you are awarded, you will receive an Award Email and you will be required to write a thank you letter (details will be in the email), which needs to be submitted by the specified deadline. Scholarship checks will be sent to the school only after receipt of thank you letters. If no letter is received by the deadline, even after attempts to contact the student, the award will be canceled.

If you have questions about scholarships, please contact us at scholarship@americanindianservices.org

You may also submit a [Financial Needs Analysis form](#) in place of a tuition statement. Be sure the statement you get from your school reflects the specific semester or quarter you are applying for and not the academic year.
